

ADVANCE DIRECTIVES

Due to the restrictions of this medical facility, we will **NOT** follow any advance directive you may have provided us for filing in your medical record.

Fox Army Health Center Policy is to **RESUSCITATE** and **TRANSPORT** patients to the nearest Emergency Room.

Patients may continue to have advance directives on file at Fox Army Health Center, as long as they understand we cannot honor the stipulations of that advance directive.

For more information about this policy, contact:
(256) 955-8888, Extension 1600.

For information on creating an advance directive, contact the Redstone Arsenal Legal Office at (256) 876-9005, or visit their web site at:
