

PATIENT INFORMATION FOR OCG EXAMINATIONS

EXAM DATE:

EXAM TIME:

Your doctor has ordered an examination of your gallbladder.

For the exam you will be asked to stand or lie down on the examination table and films will be made of your gallbladder to check for abnormalities.

Prior to the exam you will be given a prescription for telepaque tablets. There will be instructions on diet and how to take the tablets on the inside cover of the prescription box. Be sure to follow the instructions as directed so the study will not have to be rescheduled.

If you have any questions, please call us at (256) 955-8888 extension # 1800 or 1-800-223-9531 extension # 1800.
